

Journey in the Red Sea and experience this magical submerged world through the eyes of a world traveler in search of marine creatures, ancient shipwrecks and modern treasures that make up this fascinating destination.

Part 1: Explore the underwater world of the Red Sea and visit its stunning coral reefs and sea creatures, then climb the highest mountains in the region.

Part 2: Discover how the famous Blue Valley got its name, then travel to Sharm El Sheikh to one of the world's most famous and mysterious beach destinations.

Part 3: Go straight to where the desert meets the sea and search the area to unearth the hidden paradise that lies within.
